

VRX

PART WINCH. PART WORKHORSE. 100% WARN

WARN VRX

All-New Lineup Takes Performance And Value To Levels Never Before Seen In A Powersports Winch

Whether you're on the job or on the trail, WARN VRX winches work as hard as you do thanks to all-metal construction, a new clutch based on the legendary WARN 4WD hublock design, an ultra-durable all-metal gear train, and full waterproof sealing to take on the elements. VRX is available in 2,500, 3,500, and 4,500 lb. capacities and is perfect for a variety of vehicles and any job—big or small.

- Full IP68-rated waterproof sealing keeps the elements out
- All-metal construction provides increased durability and is built to last
- Black powder-coated finish for corrosion resistance
- Load-holding brake for great control
- Smooth and reliable all-metal three-stage planetary gear train
- Industry-leading limited lifetime warranty (mechanical) and 3 year warranty (electrical)

VRX 45 Controls

PREMIUM FEATURES WITHOUT THE PREMIUM PRICE

CORROSION RESISTANT FINISH

Semi-gloss black powder-coated finish looks great and resists corrosion. Salt-spray tested to exceed industry standards

MECHANICAL BRAKE

Internal brake is engineered to hold the full rated load and offers excellent control while winching

WATERPROOF CONSTRUCTION

IP68-rated waterproof construction is built to reliably keep the water and elements out

ALL-METAL CONSTRUCTION

Durable external shell protects vital components from impact and damage

POWERFUL, HIGH-EFFICIENCY MOTOR

The best-in-class VRX motor lets you pull longer, harder, and with less battery use

PLANETARY GEAR TRAIN

The new, completely re-engineered three-stage gear train delivers reliable pulling power that is fast, quiet, and more efficient than ever

SYNTHETIC OR STEEL ROPE

Increased diameter rope is rated to exceed the rated load limit

LIMITED LIFETIME WARRANTY

VRX has a limited lifetime warranty on mechanical parts, and a three-year warranty on electrical components. It's the best in the industry—all backed by a global service network and a WARN name that's trusted worldwide

CLUTCH DIAL

Robust, easy-to-handle new design. Based on proven WARN 4WD hub lock know-how. Built to last

ERGONOMIC WINCH CONTROLS

Includes hand-held corded remote and dash or handlebar-mounted switch, depending on winch model

Includes powder-coated hawse or roller fairlead (depending on winch model)

WARN BUMPERS AND WINCH MOUNTING SYSTEMS

PUSH THE ENVELOPE AND RIDE WITH CONFIDENCE

Warn Industries means more than just winches. We manufacture a full line of mounting systems and bumpers engineered specifically to withstand the stresses encountered in winching operations and off-road driving. Built to fit your ATV or Side x Side and your lifestyle, these products have the durability you want and the rugged off-road functionality you need.
